
League Results

From the Chairperson

CTC has received the league results for the Men's and Women's league held in July this year.

While we all realise that the teams had to participate above their usual expectations, we are proud of all the players who committed themselves to the task and never complained in doing so.

Congratulations to the Women's 1st team (A2) who won their league section and CTC is now promoted to A1 in 2017.

The results are as follows:

Women's League

A2 - won and promoted to A1 in 2017

A4 - finished 4th and remain in A4 in 2017

Men's League

Res B - finished 6th and relegated to Res C in 2017

A1 - finished 6th and relegated to A2 in 2017

While the relegation may be tough to face, these are still very strong leagues in which we will find ourselves competing in 2017, so there is nothing to despair about. In addition with CTC looking to recruit some new members, we may well find ourselves in a much better position come 2017.

Once again, thank you to all the members for giving of your time and the effort that was put in.
